Captain Jack is the King's Pirate, Jack Sparrow's former best friend. Having acquired a limitless supply of gold from Davy Jones' locker, Captain Jack is now the richest pirate in the world. The Captain's greed is his undoing, however, and not even his cunning and wit can save him when the evil forces of Davy Jones enlist the aid of the villainous Mother ... Purchase Pirates of the Caribbean: At World's End is available to purchase on the PlayStation Store in both a standard edition and the collector's edition. The standard edition of the game is available at a lower price (\$59.99) for anyone who wants to play it without having the bonus material of the collector's edition, as well as the three additional costumes from the special edition of the film. The collector's edition of the game, containing both the regular edition as well as the special edition of the film and the complete soundtrack, is available for a higher price (\$99.99), but includes the 12 unlocked costumes of the collector's edition of the film.

The Xbox 360 version of the game was made available as an instant-download (F2P) title on the Xbox Live Arcade for 500 Microsoft Points. Features Release On April 4, 2008, Disney Interactive announced that the game would be released in North America on April 23, 2008 and in Europe on April 27, 2008. The initial release window was later extended to include the Xbox 360 version and PS3 version. The PlayStation 3 version of the game was made available as a PSN download. Soundtrack On

November 6, 2008, soundtrack composer Michael Giacchino released a DVD containing all the music from the game. It is available for purchase on Giacchino's website, on the official Disney Store, and on the Xbox Live marketplace. The content on the DVD is the same as that available on the game disc, but in a DVD-format. Marketing The game features voice acting from the cast of the films, including Jonathan Pryce as Jack Sparrow, Geoffrey Rush as Davy Jones, and Orlando Bloom as Will Turner. Additionally, the game features animations by 9 different Disney Imagineers. The game's box-art features Jack Sparrow alongside Davy Jones, who in turn has a hand on his chest, suggesting that the two characters are in fact one entity. This art also includes a small 'W' in the chest of Davy Jones. The 82157476af
