About This Game

Have you ever been on a hike? As a child, Mike often went to the forest with his grandfather but now the work takes all his time. The only accident made the hero go back to the route...

So take your backpack and join Mike on his spectacular journey! Incredible views of wildlife, the romance of the forest trek and new discoveries are waiting for you. Go all the way to the end to feel the spirit of freedom again and fulfill the request of your beloved grandfather.

In Mike Goes on Hike you will see:

- realistic landscapes and sounds that will make you dive - into the atmosphere of hiking
- endless locations that you can explore for hours
- multiple activities: installation of a tent, breeding of fire and other tasks
- important life lessons that will guide you to the right path
